Arihant Jain

Soumya Shree

Sushrut Salgaonkar

Rachit Mittal

Surya Kolli

Ajay Singh

Aryan Gupta

### Overview of delivery delays

- Bad weather grounds planes and slows trucks.
- Traffic jams can stall your delivery.
- Customs checks might hold your package hostage.

### Overview of Sustainability

- Food delivery often relies on single-use packaging materials such as plastic containers
- Inefficient inventory management can lead to overproduction and food waste
- Single-use plastic cutlery contributes to plastic pollution
